

Disability Equipment Funding

Independence is priceless.
We help make it affordable.

UTAH ASSISTIVE TECHNOLOGY FOUNDATION

ASSISTIVE TECHNOLOGY

Any type of assistive technology devices for qualified Utah residents of any age can be financed at low-interest. Such devices include, but are not limited to:

- Adapted vans (up to \$50,000)
- Hearing aids
- Braille equipment
- Wheelchairs and scooters
- Environmental control units
- Augmentative communication devices
- Home accessibility modifications (up to \$7,000)

TELEWORK LOANS

TeleWork offers low-interest loans to purchase equipment to work from home or a telework center. TeleWork will pay the interest on the loan.

The borrower can purchase a variety of items up to \$7000. Examples include, but are not limited to:

- Computer hardware or software
- Worksite modifications
- Home office modifications
- Videoconferencing equipment

A business can take out a loan as long as the consumer retains ownership of the device.

To find out how you can obtain a TeleWork or Assistive Technology loan, call 800-524-5152, or visit www.uatf.org. Income eligibility is required to apply for either loan. Call for more information.
