UATF is not only the best source available, it's often the ONLY funding source for adapted vans, hearing aids, home modifications and more.

It saved me thousands of dollars!

UTAH ASSISTIVE TECHNOLOGY FOUNDATION (UATF)

UATF, a non-profit 501(c)(3), makes it possible for children and adults to buy the assistive technology devices they need through affordable loans. Examples of loans ranging from \$500 to \$50,000 include:

- Adapted Vans
- Hearing Aids
- Home/Work Accessibility Modifications
- Braille Equipment
- Scooters and Wheelchairs
- Modified Computers
- Print Enlargers

UATF OFFERS:

- Much lower interest rates than available from banks
- Flexible loan terms
- Easy application process
- Convenience - close loan almost anywhere in Utah
- Information and referral services

UATF made funding my electronic Braille notetaker possible. It was easy to apply, fast and worked well. They were so helpful and knowledgeable.
