Part Two: Device Information Form

Please provide the equipment device(s) for which you are requesting a loan, including the name and address of the supplier. Also record the information for each provider/vendor. When purchasing a van or vehicle, you must include an invoice that shows the make, model, year, vehicle identification number, mileage and total cost of the vehicle. The total cost should include any modifications made by the dealer, including tax, shipping and handling. Any modifications made by a different source should be listed separately below.

*Example: A 1998 Mini-Van

Equipment/Supplier

Name _____

Address _____

Telephone _____

Device/Service (Be Specific) _____

Loan Amount Requested \$ _____

*Example: A lift device for the Mini-Van

Equipment/Supplier (if needed)
