Utah Assistive Technology Foundation

Introduction

The nonprofit Utah Assistive Technology Foundation (UATF) and Zions Bank help make independence affordable by offering low interest financial loans to purchase assistive technology devices, including home modifications and adapted vehicles. Our goal is to assist Utahns with disabilities by enhancing their independence, education, employment, and quality of life through assistive technology.

There are three parts to the application. Complete all forms completely in black ink and return with an invoice indicating model/serial number and total price, to:

Utah Assistive Technology Foundation
6835 Old Main Hill
Logan, UT  84322

If you prefer, you can fax completed application to: (435) 797-2355, or email to: lois.summers@usu.edu

Please ensure all forms are filled out completely to assist in timely processing.

Part One: Information Disclosure
Applicant’s signature on this letter allows the UATF to discuss your information with Zions Bank. Your signature and date is all that is required on this form.

Part Two: Device Information
Provide UATF with information about the vendor and equipment. You will need to send an invoice from each vendor with the total price (including tax, shipping and handling).

Part Three: Consumer Loan Application
Zions Bank uses this form to determine loan approval. Complete and accurate information and your signature are required on this form. The loan application requires you list a physical address, not just a P.O. Box.

- Send an invoice or statement with total price for the assistive device you want to purchase.
- Completed application forms will first be reviewed by the UATF. If the applicant is eligible, the forms will be forwarded to the Zions Bank Loan Center.

If you have any questions, please contact us at (800) 524-5152.
